2017-2018 Membership Form

Dear South Bay Member of Delta Delta,

We hope to see you at our events this fall. While you do not need to pay to dues to attend any of our events, we definitely need the financial support dues provide. Last year we had 42 paid members. Rather than bringing items to meetings, we would like you to consider making a donation so we can continue to purchase pantry requests from the Long Beach Ronald McDonald House.

Our chapter dues are our only source of income. We do not have any fundraisers. Member dues support our contributions to CHLA Hematology-Oncology Research, South Bay Panhellenic Scholarships, Tri Delta Southern California Alumnae Council, the LMU Collegiate Chapter, Tri Delta Foundation, our Membership Milestone Recognition, and local chapter philanthropy and expenses. Receiving all issues of the Trident is now restricted to dues paying members.

Because we use email as our primary means of communication, having your email address assures you will know of any last minutes changes and have all the details for our events. If you do not use email, please let us know below. I hope to see you at one of our events this year!

—Linda Whitson, Treasurer and Membership Chair, ilmgw@cox.net
